We're Making Christingles!

Please come to St Mary's on Tuesday 23rd December at 9.30am to help make up the Christingle oranges, ready for the Christingle Service at 4.00pm on Christmas Eve - there are

100 to make! As they say, "Many hands make light work", so the more the merrier. Refreshments will be served. Many thanks in advance. Alison Davis - 07732 744255

Stonepillow have put out a plea for food, cleaning materials, coffee,

sugar, tea, tinned toms, beans etc - all would be gratefully received. Kindly leave donation in the trolley at the back of St Mary's Church.

Used Stamps

With Christmas just around the corner, a timely reminder that we are still collecting used stamps in aid of the RNIB. Please bring them to church and place in the bags.

ECO TIPS: Cooler Washing

Lowering the washing temperature on your washing machine from 40°C to 30°C reduces the energy used by 38%; better still, you could reduce the temperature to 20°C, and you will save 62%. A UK-wide shift to a 30°C wash would save the same CO₂ as taking roughly 400,000 cars off the road - or more than 600,000 cars if we all switched to 20°C! With today's modern machines, washing at these lower temperatures will still do a good job. (Source - Which? magazine)
