Gold Cup and Parking

As it is Gold Cup Sunday, I have asked the Cowdray Estate to open the field opposite St Mary's Church for parking; this should ease parking issues.

PATRONAL FESTIVALS

St James' - Sunday 19th July 8.30am

Come and celebrate the Feast of St James with a beautiful Prayer Book communion set in one of the most stunning West Sussex churches. Refreshments will be served afterwards.

St Mary's - Sunday 16th August 10.30am

A celebration of a shared life in Christ, followed by refreshments and a picnic in the Priory garden. This year we will celebrate our shared life by processing each area of church life at the start of our service - more details to follow.

Commonwealth War Graves Tours

Phil Stringer is leading free tours of our churchyards this August for the Commonwealth War Graves Commission. Hear about the work of the CWGC and the stories of some of the men and women that are commemorated in these cemeteries:

- St Mary's - Saturday 1st August at 11.00am
- St Peter's - Saturday 8th August at 11.00am

Book your place on the CWGC website – [link here](#)

FAIRTRADE

Fair Trade @ St Mary's

Don't forget that there will be a Fair Trade stall at St Mary's Church after the morning service **this** Sunday (19th July) not next Sunday (26th July). Future Fair Trade stall dates are 23rd August and 27th September.

Authorised Lay Ministry Courses

The Diocese of Chichester are running several courses, starting this September, to encourage lay ministry. The prospectus is available online by clicking [here](#) and if you are interested in completing any of these courses please speak to Derek.

Easebourne Magazine

A volunteer is needed to deliver the magazine to the top end of Easebourne Street, approximately twelve addresses. Someone with local knowledge would be ideal but it is also a good way to get to know your local area. For more information please contact Ann Harfield on 01730 813810.

ECO TIPS: Microwave Cleaning

Heat a small, microwavable bowl of water in your microwave oven until the inside looks steamy. When it clears a little, wipe down the inside surfaces with a clean cloth. You can add a few slices of lemon to the water before heating if your microwave needs freshening up. (Source: Good Housekeeping)
