### **Philip Jones Fundraising**

Philip is walking the Camino in northern Spain from 11 April. He is aiming to raise some funds for the Brain Tumour Charity in memory of his daughter Eleanor who died six years ago of an incurable brain tumour. There is a Just Giving page online to donate.

### **ECO TIPS: Turn off the tap**

Turn off the tap while you brush your teeth – did you know that if you brush your teeth for the recommended two minutes twice a day and leave the tap running, you'll be using about three gallons (twelve litres) of water? Turning off the tap in between rinsing is a small change that'll have a big effect!

### **St Peter's Tea Tent at the Lodsworth Fete**

Lots of helpers are needed for the Tea Tent at the Lodsworth Fete on Sunday 3rd May. If could spare just an hour to pour tea, cut cake or wash up it would be a great help!

Additionally, lots of cakes, brownies and scones are needed for serving during the afternoon. If you're not around to deliver your baked goods during the morning of the Fete, you can also drop them off for freezing in the next three weeks. All enquiries and offers of help to Anne Sankey on 07359 125426.

### **Net Zero Carbon**

Phil Stringer, chairman of The Priory Churches Net Zero Carbon Committee, reports that St Mary's Church has just received accreditation for the Eco Church Bronze Award - well done!
