ECO TIPS: No Mow May

Plantlife's No Mow Movement is here - let's give power to the flowers! No Mow May is one of the easiest ways to help and connect with wildlife, and the perfect way to start supporting nature in your garden (in May and beyond!). Join in by letting the wildflowers grow and be part of the No Mow Movement.

Consultation on the next Bishop of Chichester

Bishop Martin retires at the end of May, and as a diocesan family we are beginning the search for his successor. You can have your say in the appointment by filling in a consultation questionnaire which you can find online at tinyurl.com/next-bishop or by scanning this QR code.

The questionnaire will take only a few minutes to complete. Responses are welcomed from everyone. The consultation is open until May 26th.
